LOUISVILLE JOURNAL Concerning the re-establishment or presvation of the Union there are two lines of policy suggested. One is to demand guaran-

spidly settling down. It is a purely disunion

rapidly settling down. It is a purely 4 sunion policy.

The latter policy looks in all sinearity to the re-establishment of the Union on a fair and honorable lasts. It is the policy of the linearity to the looks and lam gratified that the policy thus suggested has been adopted by the Senate At the beginning of the session it was strongly urged that we abould at once call a Savereignty Convention of the State, "to be assembled at an early day to whom should be referred, for full and the determination, the future bederal and inter-state relations of Kentursky." While different with those who were conventive.

who east they could for the interest of the y and of the Union. There was much of personal rivalry among the numerous aspirants, let we trust that no ill feeling remains—at any members of the delegation were elected, Saming he where the course pursue to feeling inconsistent with the most harmonic oc-operation becaffer in the noble ause of the country. There must be but one Union party in our city and State, and that connecticut has defeated two of the Republicant of the course all who love the Union would guard against us dissolution. Hence there he no parting, no rival U ion ominations. The approaching clection of the land and Connecticut were Republicant; in the part, there will be but two part of all who deprecate is existent and the states, and and alone in the heart of the course pursued. Standard and independence, and stand alone in the heart of the course pursued by the Phode Island and delegates to the Branch and the states, and that the course pursued by the Phode Island and delegated to the country. There must be but one Union party in our city and State, and that connecticut has defeated two of the Republicant and the states that have secessing the party in our city and State, and that connecticut has defeated two of the Republicant and the states that have secessing the party in our city and State, and that connecticut has defeated two of the Republicant and the states that have secessing the party in our city and State, and that connecticut has defeated two of the Republicant and the states that he development and the States that have secessing the party in our city and State, and that connecticut has defeated two of the Republicant and the states that have secessing the party in our city and State, and that the country in the state of the links which business and her daughter Bissouri on the West, as well as the time of the country in an administration of the lover in the country in the links which business and her Si structed s - We understand, that, after men of all former political parties to put down

Mr. Brockmridge addressed the seventionists the Republicans. From all these tokens we are I rankturt in rancus last Tuesday evening, | continued in the opinion that Messrs. Crittengal, even the who had been disheartened den, Morehead, Wickliffe, and Guthrie are corp il d with the alleged tameness of specific procedure a few hours before, appeared would take the earliest occasion to reverse the the highest spirits, giving out knowingly action of the political leaders, and give to the t cautiously on a side that the Union men South the cost evident demonstrations and disere standing over a mine, which, if every-ruct assurances that the old spirit of fraternity ell, would be exploded in less harms as brightly and purely as it ever has done than a week, and blow them high as the sky. in the most empathetic all sances between the left The air discontinuity of the North, and the Street of the North, and the Street of the South of the North, and the Street of the South Buck it mean, that, having completed or in political conflicts. The refusal of letthe mellum for the conflicts. The refusal of letthe mellum for the conflicts. car preparations for attacking the Forts of Northern Congressmen to enter upon ack, and of del berately inaugurating blood. upon the people of the North. The venerable hed, with the view of so working upon the Crittenden has told as that the people will not

into the vortex at revolution? Is this these occasions, and he expressed it too as the be secret authoritative information that Mr. belief of his heart that there is at this moment breck andge imparted this followers at a majority of Northern men that would vot rankfort with such inspiriting effect. We cheerfally for any of the resolutions of comthe case. We are by no means confident South in the last Congress. We cannot fail hat this is not exactly the meaning of the to regard all the results to which we have re-We cannot help suspecting strongly terred as indicative of the state of feeling at that it is. "The only thing," said a prominent | the North, which is for peace and a restoressonat in February last, writing from ation of fraternal feelings. From every North-Richmond, Virginia, to the Charleston Her- ern State without an exception the people sent ury, "that can save us, and unite the South, letters to Mr. Crittenden, saying: "We want capture of Fort Summer before the end to preserve the Union; we differ from our re of this month. This will bring all Virginia pre-entatives in Congress in this matter. They are elected as partisans, on party platforms, her. Ther ore, as much as I deplore and are subject to the control of their party.

They do not feel as we do. They feel and act action of the sort advised by this Varginia like partisans, and want to maintain every arriot and Christian has yet been taken, but whether the perfect has been owing to moral We wish to preserve our sacred Union. We or to military scruples we do not presume to love our brethrea. Put your resolutions be-say. We believe we hazard nothing in saying, ever that heretofore the revol tionists have thousands of majorities." And who can doubt not been in a stary condition to initiate the that these promises would be falfilled when u.e. policy suggested by their Vergi in counsellor, see that wherever the people have moved it has nd that now, thanks to the truce they accept- been to repair the error of the late l'residential and to the industry with which they have election, to elip the wings of the Republican made the most of it, they probably conceiv, party, and to make its success in November that they are in such a condition. The military last a harron victory. Let us remain quiet eraples of the re obtained have at length until the next election, and we have no fears.

have upon their action, remains to be seen. Accommonating, -Mr. Breckinning con-We confess we do not anticipate the less. Nay, cludes the argument of his Frankfort speech We confess the incident at Frankfort to which we have referred above seems to as to point directly to the worst. Assuredly the incident is the states of Virginia, Kentucky. Items-see, and the enter States that I have indicated were to take the propositions of Gov. Crittenden, axis make them stronger if you choose, levaue if you make them stronger if you choose, levaue if you

We warm the friends of the Union in the Burder States to be on their grand. Let them took out for the explosion of mines and the olive barbard and reclaims again.

contangly set and baited for both. The gal. not appropriate for him "to go fart a and

that we walk.

End of the secoding States do not accept

them: the other is to ask for guarantees

that is internative that is included, is the responsibility which

respect them in good faith and trust to the "so
lar soond thought" and the returning loyalty

of the secoding States to accept them also.

The former policy doesn't in truth look to

the re-contablishment or preservation of the

linion at all. Its real purpose and its inevitable tendency is to render the destruction of

the Umon speedily complete. We need not

say that it is the policy of the secosmosistic

smoogst us. It is the policy of months of the continued by

the late secosion Convention in Frankrort.

It is the policy declared by John C. Breckin
ridge at Washington last mounth and hinted

by him at Frankfort the other day. It is the

policy disclosed the Sender should be the verification of the land to the other day. It is the

policy disclosed the Sender should be the secosmosists in the respectation, and mipped in the

bud by the Unionists, as shown in the de
spiration.

We walk the suighties the policy of the secosmosists in the responsibility which

respect to the responsibility which responsibility which

respect to the manufacture of the turner than the single policy and with the fate of

an empire in all time to come, and the destination of the

linion of deeper import or more pervasion properties and without passion, and with a single

part I have been called to act in my position here,

linion at all. Its real purpose and its inevi
table tendency is to render the destruction of

the Umon speedily complete. We need not

say that it is the policy of the secosmonists and the policy of the secosmonists and the policy of the secosmonists and the policy of the secosmonist and the policy of the secosmonist and the policy of the second policy of

MONDAY, APRIL 5, 1861.
